TAR FARMS DIGEST

Work Orders!

Borders of Tar Farms,

Now is the time to put in any work orders before winter season rolls around. It is very important that all stalls and pens are maintained and prepared for the inevitable rain. Next time you are at the barn, take a moment to look at your stall and see if any repairs are needed. If anything is required, such as boards installing or DG added, then please fill out a work order so that it can be filled before winter comes! Work orders can be found outside the office and once completed be left in the office or the mail slot.

Thank you!
Tar Farms Management

Happy Halloween!

If anyone dresses up their horses or dogs, please send me pictures for all to see!

A Message from Management:

This is a reminder to please not feed the wildlife around the barn. Do not feed the coyotes, squirrels, bunnies (although sometimes that's impossible since they eat hay), any type of bird, or any other wild life I may have missed. The wildlife wrecks havoc on the property as well as personal items and neither of which we want to happen. We do not want the wildlife being encouraged to make Tar Farms home. There are no exceptions to this rule.

Spooky scary skeletons
Send shivers down your spine
Shrieking skulls will shock your soul
Seal your doom tonight
Spooky scary skeletons
Speak with such a screech
You'll shake and shudder in surprise
When you hear these zombies shriek
We're so sorry skeletons
You're so misunderstood
You only want to socialize
But I don't think we should
Cause spooky scary skeletons
Shout startling shrilly screams
They'll sneak from their sarcophagus
And just won't leave you be
Spirits supernatural
Are shy whats all the fuss
But bags of bones seem so unsafe
It's semi-serious!
Spooky scary skeletons
Are silly all the same
They'll smile and scrabble slowly by
And drive you so insane
Sticks and stones will break your bones
They seldom let you snooze
Spooky scary skeletons
Will wake you with a boo!

Gatepost Notes

Ivy Gate Farm had attended two horse shows last month and had some great success

Blenheim Fall Classic was our first stop. We would like to congratulate Alexis Lang on her horse Due West for their Reserve Champion in the Limit Equitation Division. We would also like to congratulate Kim Narlinger and her horse J'Adore, who was 3rd in the Young Hunters Championships with show rider Jenny Karazissis and the top scoring 5 year old hunter! REMINDER

Borders,
This is another reminder to please make sure that all your personal items are secured at all times. There was another break in on the property recently and we want everyone to do their part to prevent this from happening again. Please keep your vehicles locked at all times and ensure that your valuable items are secured. If you are out riding, please lock up your personal items within your locker, trunk, shed, or so forth.
Thank you!

Happy Halloween

The best part of Halloween, besides the candy of course, are all the costumes we get to see! I was blown away by some of the creative ideas people have done with their horses and wanted to share them with you! Those are some patient horses!
